

Favell House

Favell House, set in the grounds of Manfield Health Campus offers a 10 bedded in-patient service and day unit, for people with physical disabilities.

Aim of the Service

To enable people with physical disabilities to maintain their maximum level of independence within their chosen environment.

Objectives of the Service

- To provide a holistic assessment and response to people with difficulties arising from their physical disability, which encompasses both health and social care needs
- Whenever possible, to prevent service users or carers reaching a point of crisis
- To provide a safe, restful and therapeutic environment for service users
- To maximise the service user's independence
- To actively involve users and carers in the planning, delivery and monitoring of their care

What's On Offer?

Respite care -planned on the individual's needs

Crisis care -a response to unplanned events that affect users and/or carers

Day care -open Monday-Friday: 12 places daily available

Who Delivers It?

A dedicated, multi-disciplinary team, including:

Nursing Staff

24-hour on-call medical staff

Occupational Therapy

Access to: Physiotherapy
Social Work
Care Management
Speech and Language Therapy
Dietetics, etc.

Volunteers

Favell House values its small team of volunteers, who give their precious time on a regular basis

User Involvement

Favell House has an active user and Carer Group. Their role is to work positively and efficiently with service providers to ensure that users, carers and their families are involved with assisting, monitoring and the development of effective service delivery

Friends of Favell House

The Friends of Favell House is a registered charity whose main purpose is to provide extra funds for the users' benefit

Target Client Group

The Services will be available for people who:

Are aged 16 or over
Live in Northamptonshire

Have complex needs which primarily result from a high level of physical disability, but excluding people with challenging behaviours, complex mental health or learning disability needs.
