

MANFIELD UPDATE NO.11
JUNE 2001

LD Bungalows

It is likely that the successful contractor for the building of the two bungalows will arrive on site week commencing 2 July 2001 and remain on site until March 2002 when the bungalows are due to be completed.

Please note: From Monday 2 July 2001 the car park at the top of the site will cease to be operational. Alternative parking will be available adjacent to Manfield Court, the Stable Yard and along the main drive.

Every effort will be made to keep disruption to a minimum, whilst the bungalows are being built.

Manfield Site Representative

Karen Blake, Manager, Favell House, will be the site representative during the re-development. Karen can be contacted on ext. 8048. In Karen's absence, please contact either Lindsey Sharpe (ext. 8042) or Jackie Phillips (ext. 8033) at CSH.

Gambrel Road

The property at Gambrel Road is almost ready for occupation, with the builders scheduled to complete by mid-June. Manfield Court staff will re-locate on 2 July, with the Equipment and Wheelchair Loans Service and O.T.s soon after.
